## **II. Approval of February 18, 2004 Minutes**

Chairman Elias referred the council to the board packet and the minutes of the February 18, 2004 meeting. Mr. Kevin Murphy made the motion to approve the minutes followed by a second from Frank Overby. The motion passed unanimously.

## **III. Projects for Council Approval**

Chairman Elias asked Grant Green to present the projects the board for approval. Mr. Kevin Leonard made the motion to approve the projects followed by a second from Frank Overby. The motion passed unanimously.

## **IV. Status of Projects in State Budget**

Chairman Elias asked Grant Green to present the status of projects in the State Budget. After Mr. Green's presentation, Chairman Elias urged the board to contact their local government officials.

## **V. New Project Prioritization**

Chairman Elias asked Mr. Green to present the top 8 Wastewater projects to the board. Mr. Green stated that the top eight projects within the Purchase Area Development District were: in Ballard County, Wickliffe Municipal Water & Sewer; in Calloway County, Murray Water & Sewer; in Carlisle County, Milburn Water District; in Fulton County, Fulton Municipal Water & Sewer; in Graves County, Hickory Water District; in Hickman County, Water Service Corp. of Kentucky; in McCracken County, Hendron Water District; and in Marshall County, Benton Water & Sewer.

## **VI. Wastewater Planning Update**

Chairman Elias asked Mr. Green to present the wastewater planning update to the board. Mr. Green discussed with the group several of the wastewater projects that are being continued in the purchase area.

## **VII. Upcoming Events**

There are two upcoming training events for wastewater management; on June 8 & 9, at Kentucky Lake, and on July 21 & 22 in Bowling Green, Kentucky.

**VIII. Presentation by Clem Wethington, Kentucky Rural Water Association**

Chairman Elias asked Mr. Green to introduce the guest speaker, Clem Wethington to the board. Mr. Wethington is with the Kentucky Rural Water Association. Mr. Wethington delivered a PowerPoint presentation regarding chemicals found in drinking water and associated environmental and health regulations.

**IX. Adjourn**

On a motion by Kevin Leonard, and seconded by Kevin Murphy the meeting was adjourned.
